## About This Game

### ■ Play time

about 6~ 7 hours. I think more additions can play for about 6 hours.

### ■ Game introduction sentence

It was made aiming at a traditional old good RPG.

A fantasy RPG including a slightly near future-like element.

"I protect." it's being made in a theme.

I want many people also to see a story by myself, and I have made it very easy as degree of difficulty of an RPG.

The person who isn't quite satisfactory enjoy an addition scenario after clearance, please.
